This gorgeous 2-story, 3 bedrooms, 2 and one half baths home is a newer construction. Its open floor plan brings in lots of sunlight through those nice double-pane windows. The kitchen is with granite counter tops, double-sink, hot water and soap dispensers, as well as stainless steel appliances, gas cook top and lots of cabinets. The dining area is off the kitchen with sliding door going out to the side yard. The large living room has a cozy fireplace, coffered ceiling, recessed lighting, glass sliding door to the low maintenance backyard. Luxurious master bedroom with coffered ceiling, recessed lighting. Bath with double-sink, oversized stall shower ... The other 2 bedrooms are spacious. Hall bath has tub-shower combo. Laundry area is located in upstairs hall. Special features such as built-in vacuum system, alarm system, storage shed are ready for you. There is extra parking on driveway, besides the attached 1-car garage. By the way, this home is app. 1.5 miles from downtown. The schools are great, and much more to list

214 Fair Oaks Ave. Mountain View, CA 94040

A gorgeous home in excellent Mountain View location
